About us

The Jurassic Coast Trust is a small independent charity with a big responsibility – to conserve, protect and engage people with England’s only natural World Heritage Site, the Jurassic Coast.

We were established in 2003, and took on this management responsibility in 2017 from the local authorities in Dorset and Devon.

Our Mission

To enable everyone to have the best possible experience of the Jurassic Coast, whether they want to learn, enjoy, work or study. We carry out this work around four Aims – to Protect the coast, to Engage people with it, to Deepen understanding of its stories, and to Sustain ourselves as an organisation to enable us to continue our work.

Our Work

Our work encompasses everything from inputting on planning applications that will impact the World Heritage Site, to engaging with audiences of all ages and backgrounds, both virtually and in person, inspiring them with the Jurassic Coast’s incredible stories and encouraging them to love and look after it.

We also work with fossil collectors, research organisations and museums to enable more of the unique and spectacular fossils from the World Heritage Site to be conserved, researched and put on display.

Our Team

Our staff are based at our office near Dorchester, and also work remotely across the Jurassic Coast depending on the work involved. We also have a brilliant cohort of volunteer Ambassadors who are based across the coast and are critical in helping us deliver our work.

Funding

The Jurassic Coast Trust receives some grant funding from Dorset and Devon County Councils, Natural England and the Environment Agency, with the remainder of our income coming from charitable giving, sale of our publications and merchandise, and grant funding for particular work programmes. We are differentiated from our two counties’ recognised DMOs (Destination Management Organisations) by virtue of our World Heritage perspective – we see the Jurassic Coast as an international asset to treasure, protect and enjoy, and our work stems directly from this point of view.

Be on show to the world

The Jurassic Coast is a globally recognised brand, featured in films, TV programmes, magazines and newspapers across the world. As a result, our website attracts a truly international audience.

A trusted brand

Everything we publish comes directly from our team of experts who live and work here, so you can be sure your listing will sit snugly against our verified advice on fossil hunting, beach safety, and walking the coast path.

Join the club

Many of our Business Partners have been supporters of ours for many years, and there is a strong sense of camaraderie, collaboration and cross-promotion within the group. We are also closely linked with all of the area's museums and visitor centres, so can help you with the latest information on what they have going on, for you to pass along to your customers and share on your social channels.

Show your support

By becoming a member on the Jurassic Coast website, you will not only be helping us to preserve the beaches, scenery, heritage, geology and outstanding natural beauty of the Jurassic Coast World Heritage Site, you'll also be promoting and growing your business.

Money from memberships is reinvested into the Charity, enabling the expansion and progression of our charitable aims.

Love where you live

We are an ambitious organisation with big plans for the coast, particularly around conservation and display of our incredible local fossils. Underpinning these big ambitions is a treasuring of our irreplaceable natural asset, one we all know and love and that plays a central role in our lives and work. Love where you live and help us to look after it for everyone to enjoy.
