REPORT OF THE TRUSTEES (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2015

Structure, governance and management

The Trust was established as a company limited by guarantee (incorporated 6 November 2003) and registered as a charity with the Charity Commission (registered 10 December 2003). The affairs of the Trust are governed by its memorandum and articles under which the members of the company are its trustees and control the charity and its property and funds. Membership of the Trust is limited to the trustees, with a maximum of fifteen. The initial subscribers to the Trust are the first trustees of the charity. Further trustees are appointed by approval of the existing trustees, membership being open to any individual or organisation interested in promoting the Objects who applies for membership.

Trading activities were conducted through the trading company, Jurassic Coast Trust (Trading) Ltd (company no 5213846), a 100% subsidiary of the Trust, until 31 March 2009.

Objects and activities

The Trust was established to advance the education of the public concerning the World Heritage Site (the area of coastline between Orcombe Rocks near Exmouth and Studland Bay, designated a World Heritage Site by UNESCO on 13 December 2001) and its importance, in particular by publishing educational guides and establishing visitor facilities; and for the conservation for the public benefit of the World Heritage Site.

The Trust helps people to understand the significance of the Jurassic Coast, and support its future by awarding project funding either directly or by accessing funds on behalf of local community organisations. The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Trust's aim and objectives and in planning future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives they have set.

The Trust supports a diverse range of projects including schools' teaching programmes, visitor centres, beach cleans and sustainable development programmes. During the year to 31 March 2015, projects supported included the Creative Coast arts project, the Chesil Beach project, and further funds were raised to develop the visitor centre at Durlston Castle.

Achievements and performance

During the year to 31 March 2015, the Trust has received donations and grants amounting to £80,317, publication, royalties and other sales income of £16,888 and investment income of £34. Income of £59,420 related directly towards funding specific projects and has been included as restricted funds (note 11).

Expenditure for the year totalled £60,618 of which £50,611 was spent on various educational and conservation projects, of which £46,236 was for restricted fund projects. Net income for the year was a surplus of £36,621, comprising £10,438 on restricted funds and £26,183 on unrestricted funds. Funds at 31 March 2015 were £124,611 comprising £67,207 unrestricted funds and £57,404 restricted funds balances.

REPORT OF THE TRUSTEES (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2015

Reserves policy

It is the policy of the Trust to maintain unrestricted funds, which are the free reserves of the charity, at a level which provides sufficient funds to cover six months' anticipated fixed costs for the following year and to accumulate funds for future charitable projects.

Whilst free reserves at 31 March 2015 are in excess of six months' anticipated fixed costs for 2015/2016, the trustees are mindful of the need to accumulate additional funds before supporting new projects.

This report has been prepared in accordance with the special provisions relating to small companies within Part 15 of the Companies Act 2006.

Approved by the trustees on 15th September 2015

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE JURASSIC COAST TRUST

I report on the accounts of the company for the year ended 31 March 2015 which are set out on pages 6 to 12.

Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to an audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- 1 which gives me reasonable cause to believe that, in any material respect, the requirements:
 - to keep accounting records in accordance with section 386 of the Companies Act 2006; and
 - to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

have not been met; or

2 to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

The trustees acknowledge their responsibilities for ensuring that the company keeps accounting records which comply with section 386 of the Act and for preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of the financial year and of its profit or loss for the financial year in accordance with the requirements of sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to accounts, so far as applicable to the company.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2015

1 Accounting policies

(a) Basis of preparation

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008) and the Statement of Recommended Practice "Accounting and Reporting by Charities" (SORP 2005).

The financial statements present information about the company as an individual undertaking and not about its group. The company and its subsidiary undertaking, Jurassic Coast Trust (Trading) Ltd, comprise a small-sized group. The trustees have therefore taken advantage of the exemptions provided by section 398 of the Companies Act 2006 not to prepare group accounts.

(b) Incoming resources

Subscriptions, donations and gifts are accounted for when received by the Trust. Other income, including grants, is accounted for on the accruals basis, and is recognised in the Statement of Financial Activities when the conditions for receipt have been met and there is reasonable assurance of receipt.

(c) Resources expended

All expenditure is accounted for on the accruals basis and is recognised when there is a legal or constructive obligation to pay for expenditure. All costs have been directly attributed to one of the functional categories of resources expended in the statement of financial activities.

(d) Taxation

As a registered charity, the Trust benefits from rates relief and is generally exempt from income tax and capital gains tax, but not from VAT. Irrecoverable VAT is included in the cost of those items to which it relates.

(e) Investments

Shares in the subsidiary trading company are shown at cost at the balance sheet date.

(f) Stock and Work in Progress

Stock represents items held for resale and is valued at the lower of cost and net realisable value.

Work in progress represents costs incurred in relation to publications in progress at the year end.

(g) Fund accounting

Unrestricted income funds are general funds, expendable at the discretion of the trustees in furtherance of the objects of the Trust. Such funds may be held in order to finance both working capital and capital investment.

Restricted income funds are funds which have been given for particular purposes and projects and must be applied only towards that specific restricted purpose or project.
