Getting Started

- Start small
- Include your staff
- Celebrate
Bagwell Farm Touring Park

The 3 (or more) Rs

- Reduce
- Re-use
- Recycle
Bagwell Farm Touring Park

Reduce

• Reducing our use of fuel and water
• Reducing the amount of general waste
• Reducing travel
Bagwell Farm Touring Park

Re-use

(Repair, Repurpose, Recondition)

• Repairing tools and equipment rather than throwing away
• Storing and re-using leftover materials for new projects
Bagwell Farm Touring Park

Recycle

(Don’t throw it away!)

• Bins – batteries and bulbs - compost
• Donate to Charity shops/schools/craft projects
• Partnerships with others
• Charity corner
Bagwell Farm Touring Park

Other Factors

• Make the switch
  – LED lights, compostible bags ...
• Natural Environment
• Habitat
• Wildlife

GO CAR FREE

Leave your car on site and explore Dorset using one of these environmentally friendly methods:

Take the bus!

The X32 bus service runs 90 minutes from Castle to the site and offers some of the best views of the Purbeck Hills, a Point of Principle for the Dorset Wildlife Trust. You will find wildlife-watching friendly. The route runs through the village of Nether Wallop, where you can access the South West Coast Path, offering miles of designated footpath and cycle routes.

Saddle up!

The Coast Path starts just 1.3 miles from the farm and is a popular route for cyclists and hikers. You can access the South West Coast Path, offering miles of designated footpath and cycle routes.

Go for a walk!

Dorset is a beautiful area, with many of the best walking spots in the UK. From the site, you can access the South West Coast Path, offering miles of designated footpath and cycle routes.

Around & About

Here & There

Learn about local walking & cycling trails. What makes them different? Day by day, you can access the South West Coast Path, offering miles of designated footpath and cycle routes.
